Reminder, could parents please encourage all students to bring their hats to school and to make sure the hats are labelled with the student's name.

After school reminder, could I ask all parents to ensure students do not access any of the play equipment after school as the equipment must be supervised by a teacher.

School Banking

This week resulted in 67 deposits and \$486.15. A great effort!! Some of the problems that we are finding each week is that people are not writing on their deposit slip. This is extremely important for us when we reconcile the amount. Also can you please take your tokens out and place them in a special safe place? With so many deposits to do in such a short amount of time sometimes we do forget to place one in the folder and if we go back to the deposit book we don't know if we have placed

any in or not because there are so many in there. Once you have collected 10 tokens, do not forget to cash them in for your prize. Tokens cannot be used between family members. **Banking will be this week, processed on Thursday afternoon.**

P&C News

Please join us at our next P&C meeting this Tuesday night at 7pm. At this meeting we will discuss ways of spending our hard earned funds raised at the Easter Fair! We will also discuss the permanent appointment of a new Canteen Supervisor.

A few quick reminders for this week:

- * BBQ items are by order only - not available for purchase over the counter on the day.
- * The canteen will be open on Thursday **Lunch ONLY** for the sale of lollies, chips and cans of drink. Canteen items will not be available.
- * All proceeds from Treat Day will go towards our Easter Fair profit.
- * Most importantly, have a safe and happy break.....
