Dear Parents

Welcome to Week 5. NAPLAN has come and gone and life can return to normal. Thank you for your understanding last Friday. There are many changes coming down the line that will affect your child and your school and Federation feels very strongly about the pace and the proposals. We will attempt to keep you informed. We have a number of students off to the Basketball Stadium on Wednesday for a Science and Engineering challenge and we would like to thank Mr Joe Whitehead for his support during the preparation for

this program. Starstruck rehearsals are picking up pace for both movement and choir which affects a number of Year 4 students. Have a great week, it's going to be fun!
