Important Notes : Athletics Carnival notes for children 8 y.o. and above need to be in by Friday. Dear Parents, Parking has been and will continue to be an issue around our school. How we deal with that will be a reflection of our values. We have pushed the Pick up and Go as far as possible and the vast number of parents are very considerate of others as we all try to give our children the safest entry and exit to school that we can. I did however speak to a parent this week who had received a less than polite letter on her window regarding her parking, without knowing the full story. We expect a lot from our children, and generally they deliver. I think it is fair to expect that we as adults follow the same concept of "Expect Respect". We wish Anastasia all the best as she heads off to State soccer this week. Angela Roberts was also selected in this team but is unable to attend. Photographs went smoothly last week. The photographers were telling me how much they

love coming to WSPS because the children are always well behaved and beautifully presented. Have a great week,
Ian Hamilton

THOMPSONS LAMINGTON AND PIE DRIVE REMINDER

A big thank you to those people who have already returned order forms and payments for our annual Pie and Lamington Drive. This is a big fundraiser for our school band and we greatly appreciate your support. There is still time to approach workmates, friends and family to help fill up your order forms before they are due on the 20th June. Remember to feel free to photocopy additional forms or grab more from our lovely office ladies. Thanks for your ongoing support of our School Band.

Kind Regards,
Tracey Moloney

Band Practice

Due to the payout on Tuesday there will be **no practice** on Wednesday but **Thursday practice will be on at** normal time.

High School Boundaries

I have had a number of enquiries regarding boundaries and High School enrolments. At this stage there is no change in the boundaries for Year 7, 2013. I have included two quotes from correspondence with the appropriate personnel for your interest. As soon as firm details are known I will pass them on to all parents.

“The majority of the boundaries remained unchanged from previous school and regional mapping information.

The new School Intake Enquiry Tool will be updated and rolled out to School principals by the

end of the year.”

Lost Property

Lost property will now be kept on Mrs Matthews veranda near the uniform shop. The ladies in the uniform shop have kindly offered that when time allows they will double check items for names and return where possible to its owner. I would ask again however, should your child be missing an item to check this increasing pile of clothes. It is however still preferable that items are clearly labelled and students take responsibility for the safe keeping of their clothing.

School Banking

WOW what a week!! This week saw our best so far with a massive 84 deposits totalling \$392.05. This week banking will be processed on Thursday, not Friday. Therefore if you forget your banking you will have to wait till the next week to bank your money. So please remember to bring it in on Thursday. For those who are thinking about banking, it is not too late to open an account, simply go to the Commonwealth Bank website or visit your nearest branch.

Year 6 Parents

Both Coles and Aldi have waterproof gloves on sale for approximately \$5.00 per pair. This may be worth a look in readiness for the Canberra Excursion later in the year. This is really the only required snow gear for the Canberra excursion as other clothing hire is included in the cost of the Excursion.

Year 3 & 4 Nobby's Excursion

Given the forecast for the next few days we have decided to postpone this excursion until further notice.
