Dear Parents

Welcome back to Term 3. I trust your holidays were fantastic and your wonderful children are ready for all that Term 3 involves. It was great to see the children this morning and routine quickly took over as Mr Mc Donald rehearsed with the Rock Band, sports training was organised and lessons were prepared. This term involves much learning as well as excursions and sporting and cultural events. In assembly this morning we talked about respectful language and introduced our value for the first part of this term being 'Fairness'. During the holidays the shelter near Pick up and Go was completed, painting was done in the hall and in the toilets and Mr Godfrey has worked hard tidying up the grounds after the weather of last term.

We are looking forward to a great term,
Ian Hamilton

Portraits for Sale

The P & C are reminding you that there are still some portraits left from the fete still to be sold. If you were unable to get your portrait then, they are still on sale for \$2.00 each. Please see Ian Hamilton.

Exposition Writing from 1J

I think that WSPS is a great school because there is no bullying at it. The teachers are nice and there is a lot of space to play. You make friends easily and people help you if you get hurt the teachers will help you. I love WSPS because it is the best school ever!

Term Costs

Term Costs will be included in next week's Tallong.

Update of Asthma Plans

If your child suffers from asthma it is necessary for us to have an updated Asthma Plan at school. Also parents need to ensure the medication they have for their child at school is not out of date. Please complete the asthma form sent home with your child today and return it to school as soon as possible. If your child self medicates and carries their puffer with them, this needs to be indicated on the form. If your child does not bring home a form today, please contact the school as this will mean they are not on our asthma register.

School Banking

Welcome back to Term 3. Banking will resume this week. If you are interested in opening an account, you can do this by either visiting your local branch or going online to the Commonwealth Bank site and following the prompts to open an account. Please remember that the school does not receive the commission (\$5 for every account opened) unless your first deposit is through the school.

Commission received from last term was \$207.70. There were 10 new accounts opened and 662 deposits made! This term we are running another competition similar to those we ran last year. An entry for each deposit made till the end of the term. The winner will be drawn early next term. This prize is a sports pack which you can find in the office foyer.
